OK – I'm happy to get it done. I almost finished reviewing the dalles permit. I had hoped to finish it up today but of course got sidetracked. Have a good weekend!

I was pretty much not working most of the day until now, so thank you for taking care of this!

Hi Jenny – Mike said you weren't working today, so I didn't loop you into the drafting/review of the letters. Sorry.

I'm sorry I wasn't in the office to take care of this today. Thanks to everyone who helped out, even though I'm really unhappy about the decision. I've left a message for my contact at Ecology to give her the heads up. I'll also work on Monday on a response to the people who have requested copies of the permit and check in with Mike and others before sending out the response. What a first week back.

Have a great weekend, everyone,  
Jenny
